### **RULING ON ENTITLEMENT**<sup>1</sup>

**Dorsey**, Chief Special Master:

On October 26, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that he suffered a shoulder injury related to vaccine administration (“SIRVA”) after receiving an influenza vaccine on September 28, 2016. Petition at 1. Petitioner further alleges that he received the vaccination in the United States and suffered from vaccine-related injuries for more than six months. *Id.* at ¶¶ 1, 14. The Petitioner also alleges that neither he nor any other party has ever brought an action or received compensation in the form of an award of settlement for his vaccine-related injuries. *Id.* at ¶ 17-18. The case was assigned to the Special Processing Unit of the Office of Special Masters.

<sup>1</sup> Because this unpublished ruling contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all “§” references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

On July 16, 2018, respondent filed his Rule 4(c) report in which he concedes that petitioner is entitled to compensation in this case. Respondent's Rule 4(c) Report at 1. Specifically, respondent "concluded that petitioner suffered a Table injury of SIRVA." *Id.* at 4. Respondent further agrees that "compensation is appropriate, as petitioner has satisfied all legal prerequisites for compensation under the Act." *Id.* at 5.

**In view of respondent's position and the evidence of record, the undersigned finds that petitioner is entitled to compensation.**

**IT IS SO ORDERED.**
